

**Apple iPhone 6
(Unlocked international)**

Thank you for your interest in our business, we are very committed to exceeding your expectations.. We have placed our clients needs above our own and have appeared in numerous media slots like 938FM, Menshealth, Simply Her, CLEO, Her World as well as the June 2012 issue of The Business Times to name a few.

We are primarily a concierge services company; we have been in business for almost 5 years. We perform errand running, personal shopping services to individuals that are hard up for time, in essence buying back time. We have a couple of full timers as well as a larger handful of part timers.

We do **NOT** sell/carry/stock iPhones; we primarily provide a redelivery service.
