Mr. Raymond Ling

Dear Mr. Ling,

SINGAPORE ARTS FESTIVAL 2007

The Singapore Arts Festival opened in a spectacular fashion with *Dreams in Flight* from 25 -27 May at the Padang, which captured the imagination of the public. The event was attended by more than 20,000 audiences and received extensive media attention. This would not have been possible without your participation in the performance of the event.

2 Your courage and boundless enthusiasm towards both the rigorous rehearsals and performance schedule helped to make this event a memorable one for all. I hope you had a memorable experience with the artists from La Fura dels Baus, as well as with the public.

3 On behalf of the Council, I would like to extend my deepest gratitude to you for being part of the Festival. As a gesture of our appreciation, the festival would like to invite you with a pair of tickets to a jazz concert by *Jeremy Monteiro, with jazz luminaries Jimmy Cobb, Jay Anderson, Bob Sheppard and Roberta Gambarini* on 19 June, Esplanade Concert Hall. Please confirm your attendance with Miss Joey at 68379892 by 14 June.

4 Thank you again and we look forward to calling on your adventurous spirit should the opportunity arise again in the near future.

Best wishes

Goh Ching Lee (Ms)
Festival Director
for Chief Executive Officer
